From the Principal

Sadness on Bastille Day

Normally, my Bastille Day report is one of celebrations and fun for the French community and for our school. On Thursday 14th July we did have a wonderful day at our school where our staff and students celebrated with croissants, juice, music and the singing of French songs with the choir from Camberwell Primary School joining us. Unfortunately, our joyous day of celebration was not experienced by the French people of Nice. It saddened us that this terrible event occurred to innocent civilians who were out celebrating with their families. I spoke to our French students about being resilient in the face of adversity and being able to move on and learn from these experiences. Our thoughts and prayers go out to our French community and any families affected by this terrible event. I also extend my sympathy and sadness for members of the Turkish community, as they have experienced violent political upheaval and tragedy over the past week.

Achieved Full French Accreditation

On a positive note, we received fabulous news during the holidays that the French Ministry of Education has granted us accreditation for our French Binational program for Years 7–9. This is an amazing achievement, as it can take quite a few years to get to this stage. What this means is that as of next year, our French binational section is recognised as a French school delivering the French curriculum. It also means that we will be able to access stronger support being part of the French Schools Abroad Network.

There are further requirements that we need to fulfil over the next year in order to get the full permanent accreditation. I would like to thank Genevieve Papon, our Binational French Coordinator, and our French teachers Aurelie Abel, Florence Steuer, Sophie Oldfield and Katia Lewis for all their work.

**City Project – Year 9**

In the last week of Term 2 we ran our inaugural Year 9 City Project. This is a fabulous learning program that aims to immerse students in a challenging and real-world environment. We worked in conjunction with City Cite, an organisation based in the city that runs Year 9 city projects with schools from all over Victoria.

During their week in the city, students worked in groups responding to a research topic on social equity and fairness in Melbourne. This included having guest speakers and going on excursions to the Melbourne Magistrates Court, Urban Seed and The Big Issue. On the last day of term students presented the responses to their research project both digitally and with posters. I was very impressed with the high quality of work that was produced by our students, and the posters are currently on display on the ground floor. I would like to congratulate and thank Danni Gibson – Humanities Leader and Craig McPherson, along with all the staff who helped to make our first year such a success. The City Project will be an annual week-long event for our Year 9 students.

**PADSIP**

We have been running the Positive Ageing Digital Storytelling Intergenerational Project (PADSIP) program at Auburn High School since we started in 2014. It is another great program we offer, bringing older adults and youth together to produce multi-media digital stories about aspects of the elderly people’s lives. This has been an invaluable experience for our students who have learnt about life experiences from another generation and at the same time it has been very enjoyable for our elderly visitors.

At the end of last term, the Hon. Josh Frydenberg MP, Federal Member for Kooyong / Minister for Resources, Energy and Northern Australia, came along to celebrate and congratulate us on the success of the PADSIP program. Thank you to Craig McPherson and Lori Michael for all their work in coordinating the program. Further information about PADSIP can be found later in this newsletter.

**Work Experience**

During the last week of Term 2, the Year 10 students were involved in work experience. This allowed our students to work in various workplaces and experience what it is like in the workplace and also to think about future career possibilities. During Years 9 and 10 we support our students in setting career goals by having them complete various surveys to see what they enjoy doing. They write job applications, prepare resumes and experience mock interviews. They also explore industry and occupational trends and a range of other aspects of the world of work. I would like to thank Deb Martis, our Careers and Pathways Coordinator, for all her work in setting up a rigorous and personalised careers program for our middle school students.

**Soccer Clinic with Robert Stambolziev**

At the end of last term, Robert Stambolziev, who plays
soccer in the A-League for Sydney FC, ran a soccer clinic for interested students. Robert has visited our school a few times to run soccer clinics, and really enjoys working with our students. There were 40 students taking part in the two hour session. Thank you to Vela Stambolziev for organising this event.

**Staffing Changes**

There have been some further staffing changes since my last newsletter. I would like to thank Anthony Hogg – Librarian, and Patricia Musumeci – Finance Manager, for all their work last semester at our school. I welcome Melissa Kervella, our new Librarian and Joanne Hayes, our new Finance Manager and congratulate them on their appointments. We have a few more staff who will be taking leave during this term. Pam Waldman, who provides administration support, will be on leave for the remainder of this year, as will Bernadette Caruana, our International Student Coordinator. Alex Clarke will remain on leave for Term 3.

Maria Karvouni
Principal

---

**From the Acting Assistant Principal**

It is a pleasure to be Acting Assistant Principal whilst John Goodman is on leave this term. We are looking forward to an exciting Term 3, with lots happening around our school.

**Parent-teacher-student Interviews**

A strong partnership between home and school plays an important role in supporting students to achieve their full potential. Whilst parents are welcome to email teachers at any time throughout the year with any concerns, a face-to-face meeting is an opportunity to meet your child’s teachers and discuss your child’s progress, set goals for the semester, discuss strategies to support at home what is being done at school, or to ask any questions you may have.

Parents and guardians of students in Year 10–12 are invited to book an appointment to meet with class teachers on Tuesday July 26th between 4pm and 6:30pm. Bookings are now open via Compass. There will be an opportunity for those with students in Years 7–9 to meet with teachers on Thursday September 8th, from 2pm–6:30pm. Bookings will open closer to the date. Students are also encouraged to attend the meetings.

**Extra-curricular Activities**

As we settle in to Semester 2, our extra-curricular program will be getting underway once more. Students in our Languages Club are currently training for their Reading Award Competition, the Debate Club is reconvening this week to plan an interschool competition, the Fantasia Club will be exploring the history of music through the ages and the popular Robotics Club will also be resuming, to name but a few. With the ground floor renovations nearly complete, students will soon be able to refer to our Extra-curricular noticeboard as a one-stop-shop for details on our extensive range of offerings.

We are very excited to announce the launch of our House Colours program, acknowledging student contribution to the culture and community of our school and participation and excellence in extra-curricular programs. Students will be eligible to earn a badge in STEM, The Arts, Philanthropy, Communication and Sporting categories, and once an individual has earned a badge in at least two different categories, they will then go on to be awarded their House Colours.

**Parent Association Thank You**

Thank you to our PA for a very successful sausage sizzle at Bunnings Hawthorn last weekend, raising close to $2000. These fundraising efforts are greatly appreciated by our students, who are looking forward to the beautification of the rear courtyard.

**Uniform Blitz**

There will be a uniform blitz next week. Please ensure your child has the full winter uniform and that the blazer is worn to and from school each day. Students will need to have full summer uniform for Term 4. Students out of uniform will be required to attend an after-school detention. Also, a reminder that headphones are not to be used or worn in class and may be confiscated, unless being used as part of a specific learning activity.

Kristie Satilmis
Acting Assistant Principal
French News

Bastille Day Celebrations

Once again, Auburn High School celebrated Bastille Day with pride and enthusiasm! The school embraced the colours of the French flag—blue, white and red—and the French national anthem, La Marseillaise, could be heard throughout the day to signify the end of classes! The French-style breakfast stall was one of the highlights of the day, where students could purchase an authentic croissant and a juice, while listening to French pop music. Our choir, accompanied by the Camberwell Primary School French choir, performed a selection of French songs at lunchtime for everyone’s enjoyment. Students also enjoyed dressing up and putting on French props at the photo booth station. Our French students learnt about the origin of Bastille Day in class and a large group of visiting children from Toorak Primary School also had the opportunity to try fencing and make their own revolutionary French cocardes (rosettes), which they then proudly wore on their school jacket. Overall, a successful day of French celebrations! Vive la liberté, vive la France!

Berthe Mouchette les Finalistes

We are delighted to unveil the recitation results for all our French beginners’ students in the Berthe Mouchette Poetry competition, with four perfect scores for the 2016 recitation edition.

Congratulations to Sahil Iyer of Year 7, and Alex Budnick, Juliette McKeown and Claire Sommerville of Year 8. They delivered a perfect recitation of their poems, achieving the perfect score. They did not
hesitate in front of the examiners, who are under strict instruction to only grant a perfect score (20/20) to la crème de la crème.

The following students achieved a fantastic result, scoring 19 to 19.5/20 and should be warmly commended as well: Ashton Castelino, Alex Fan, Liam Fowler, Ramish Hussainy, Sasha Melnikov, Brayden Swenson, Emily Jones, Albert Phan, William Surjenko, and George Rubinstein (Hors Category). Another group of 14 students gained distinction with scores over 17/20.

Thank you for all your hard work in getting ready for the challenge and the best of luck to our four finalists who will compete in the second round on Sunday morning at the Alliance Française de Melbourne in St Kilda.

La fourmi

Une fourmi de dix-huit mètres
Avec un chapeau sur la tête,
ça n’existe pas, ça n’existe pas.
Une fourmi traînant un char
Plein de pingouins et de canards,
ça n’existe pas, ça n’existe pas.
Une fourmi parlant français,
Parlant latin et javanais,
ça n’existe pas, ça n’existe pas.
Et pourquoi pas?
By Robert Desnos

J’écris

J’écris parce qu’il y a la nuit le jour
l’aube le crépuscule l’ombre et la lumière
et qu’il y aura toujours des saisons pour le rêve
j’écris parce qu’à l’origine est cette planète qui nous accueille (…) j’écris parce qu’il y a le mot rire dans écrire (…) j’écris parce que le monde n’est pas une rumeur derrière la vitre et que ailleurs tout près des hommes des femmes des enfants meurent de la folie des hommes
By Amina Saïd

Something to Consider...

If you are curious about French language and cultural activities, come and explore the Alliance Française de Melbourne heritage-listed mansion as they will celebrate Melbourne 2016 Open House program on Sunday July 31 from 10am to 4pm. More details at http://www.afmelbourne.com.au/culture-and-events/special-events

Something Else to Consider...

From the Business Manager

Building Fund Report

Thank you to all of the parents who contributed to our Building Fund.

We have used the funds to refurbish our ground floor by plastering and painting the walls and installing new carpet.

Kari Simmons
Business Manager
Year 9 City Project

City Project is a rewarding opportunity for students to explore social equity issues in the Melbourne CBD. Our week kicked off with the Great Melbourne Race at the Eureka Sky Deck, where students had to problem solve their way around Melbourne to develop orientation skills and know how to get around the city.

In the last week of Term 3, students embarked on the first City Project for Auburn High School. They made their way into Melbourne to find that their office space at City Cite was ready and waiting for them. Students were able to use the facility as a base throughout the week to work on their projects, hold team meetings and prepare their research poster. Prior to the commencement of City Project, students received a research question that required them to consider some of the social equity and cultural questions about Melbourne. They participated in excursions including visiting Urban Seed, the Big Issue Classroom and Melbourne Magistrates Court, which provided students insight into some of the causes and effects of homelessness.

Students then took to the streets of Melbourne to complete surveys and to interview experts. They collected up-to-date data that they were then able to use to draw conclusions on topics including homelessness, addiction, migration and art. On the last day of term, students presented their projects to the school community.

Students demonstrated a great deal of responsibility and independence.

The week was a fantastic success. I congratulate all students who participated. Well Done!

Danni Gibson
Learning Area Leader, Humanities
PADSIP
(Positive Ageing Digital Storytelling Intergenerational Project)

PADSIP is about providing an opportunity for meaningful interaction between younger students and older participants. The idea is to develop and share stories through intergenerational collaboration and produce a 3 minute life story in Video Digital Story format. It requires 7T students meeting with Mark Silver (PADSIP Project Coordinator) and older participants from the community each Friday during their English period this term.

The theme for the created stories is ‘Aspirations and Meeting Life’s Challenges – Across The Generations’ and has direct links to the curriculum study of the Australian film, *Paper Planes*, directed by Robert Connolly – the focus text for SEAL English this term. In addition to producing digital stories, the project will also allow for students to create meaningful responses for English in a range of different styles including scripts, poetry, narratives, biographies and reflections. The themes explored will include friendship, family, dreams, setting goals, imagination, community, and life’s challenges.

The official launch by The Hon. Josh Frydenberg MP was highly engaging and certainly generated enthusiasm for starting the project.

Last week’s first formal session involved the class presenting Identity Slides and speaking about themselves for one minute, followed by older participants introducing themselves. It didn’t take long to identify similarities, including interests and shared experiences, between the lives of older and younger participants. The groups for producing the life stories will now be formed on the basis of these similarities, and interviewing and scriptwriting will follow in upcoming sessions. A celebration evening at the completion of the project will take place for parents, family and friends of the community to view the digital stories, meet participants and see the student work displays.

This is an exciting project which is both academically and personally rewarding for our students to undertake at Auburn High School. Below are quotes from our students:

I am eager and ready to collaborate with the older participants. I am excited to learn more about their life stories. I am passionate and looking forward to PADSIP as I have my own grandparents in Indonesia and I really miss them…

I am looking forward to making a short film because I like filmmaking. I am also looking forward to hearing all the different stories.

Lori Michael
English Teacher

Craig McPherson
Leading Teacher, Curriculum Development
Year 12 Hosier Lane and NGV excursion

Last Friday involved the Year 12 English class travelling to Federation Square to begin their journey exploring the city for their study of Identity and Belonging. We first started our adventures wandering through Hosier Lane to get a glimpse of the unique graffiti art of Melbourne. We made our way through Collins street into Centre Place and Degraves Street. We met to brainstorm ideas regarding our study of identity and belonging and then went off in pairs to interview individuals around Melbourne about their thoughts on the topic.

After taking numerous selfies with their interviewees, the Year 12s then gathered again to explore the State Library. Whilst at first distracted by the numerous Pokémon wandering the grounds, the students were soon taken aback and inspired by the beautiful architecture of the Library.

By 1:00 pm, students entered the National Gallery of Victoria to tour and write about identity and belonging in response to some of our most unique art. Susie May provided a walk and talk lecture of the Gallery, prompting the students to reflect on the ideas related to the paintings and how they connected with their texts. Students wrote some outstanding pieces in response to Susie’s instructions.

It was a very successful and enjoyable excursion. Well done Year 12!

Jesse Weymouth
Learning Area Leader, English

Year 7 Author Visit

In the final week of Term 2, the Year 7s were treated to a highly entertaining talk by well known children’s author Oliver Phommavanh. Oliver is a writer, comedian and teacher. His high energy presentation gave our students a light-hearted insight into what it is to be a writer and how inspiration can be drawn from every day experiences and events. Amidst the anecdotes and jokes, students were reminded of the value of wide reading and the pleasure to be gained from writing about whatever captures your interest.

Oliver’s books, including his award winning Thai-riffic and his latest release, The Two Christys, are available to borrow from our school library. They are highly recommended reading for anyone who enjoys a chuckle and a perfect ‘down-time’ read for the end of the day after a busy day at school.

Nola Cefai
Sub-school Manager, Years 7 and 8

Uniform Shop: Opening Hours

Monday and Wednesday: 1:20 pm – 1:50 pm
Tuesday and Thursday: 3:00 pm – 3:30 pm
Ms Michael and Ms Satilmis recently participated in the Most Wuthering Heights Day Ever; a dance re-enactment of English singer Kate Bush’s music clip for the song Wuthering Heights. This song was inspired by the story in Emily Bronte’s classic novel Wuthering Heights – a cherished text of both English teachers.

Money raised from this event was donated to Safe Steps, Family Violence Response Centre.

"Wuthering Heights is a highly recommended read." Ms Michael and Ms Satilmis.

Money raised from this event was donated to Safe Steps, Family Violence Response Centre.

"Wuthering Heights is a highly recommended read." Ms Michael and Ms Satilmis.

Toorak Primary School students return for Bastille Day Celebrations

Year 4 students from Toorak Primary School had an enjoyable day undertaking activities, including fencing and LOTE craft, to celebrate Bastille Day. There were plenty of smiling faces, especially at recess when they enjoyed a croissant and drink, and raised inquisitive questions about secondary school life at the start of the day in the Lecture Theatre. Feedback received from teachers was really positive and they were appreciative of our efforts to build strong relationships and make curriculum links with nearby primary schools.

Lori Michael
Transition Coordinator

‘Reading can take you places you have never been before’ Dr Seuss

Attempt to read a classic this term! Have a conversation with your teachers and parents about classic texts they have read... and visit the library soon. 😊
8A English: Poetry

8A have been studying metaphors and similes and looking at how they can make their writing more vivid and effective. They wrote their own poetry trying to use a variety of similes and metaphors.

Here are some of the results:

**Chocolate**
by Josh Brookes

A rush of sweetness triggers your brain that reminds you of paradise
A waterfall running down the back of your throat
Chocolate is a vacation of sweet pleasure
Warm and melting on your tongue
Like liquid gold
Chocolate is dark like the sky in the night
Cocoa is pure delight

**Tennis**
by David Sun

Tennis is a bullet
I hold the gun and shoot the target
Tennis is my teacher
It teaches me to respect my enemy
The tennis game is a battlefield without smoke or gunpowder
You have to be a warrior on the court
Tennis is a drug for me
I can’t withdraw
Tennis is my life
I live for it and live with it

**Footy**
by Angus Trivett

Footy is as majestic as a massage
The handpasses like fairies flying
The sound of a crunching tackle is as satisfying as eating crisps
The roar of the crowd is like a tiger
The adrenaline running through your body is like a streaming river
The flying screamers resemble aeroplanes swooping in
Footy is a hobby you never stop loving like your family
The umpires are like parasites who never go away
The long kicks stretch as far as shooting stars
Footy is eternity

**Pugs**
by Jack Ryan-Knight

Pugs are cute, yet stupid
They can light up your day when you are down
Cheer you up when feeling sad
And can be there to comfort you,
To play with and sleep with
When in tough situations
They can be there as friend
Lightening the dark times
No matter what the situation
All they want is love and that’s what they’ll get

Bernadette Caruana
English Teacher

From the Library

I am your new school librarian. Some students introduced themselves to me last week and told me about books they have read, or would like to read. I hope to purchase some new fiction books based on these recommendations. I would also like to acquire some new French fiction, so if you have any authors or titles to suggest please visit the Library and let me know.

The Library is not open Tuesdays and Thursdays before school. Anytime the door is closed and there is no teacher or librarian in the library, you may not come in.

Have a look at the new books display in the Library (if you can’t find it, ask me). We have just received a box of new fiction including the following series:

- *Skulduggery Pleasant* [series] by Derek Landy
- *Bloodlines* [series] by Richelle Mead

Melissa Kervella
Librarian
From the Student Leadership team

Orange-ya-glad we’re having a free-dress day?!

On Friday 22nd of July, the Student Leadership team will be holding a fundraiser for Orange Sky Laundry, a charity that offers free laundry services to the homeless.

Students and staff are invited to wear orange clothes and accessories on the day in exchange for a gold coin donation (or more, if you can spare it).

There will also be an orange-themed bake sale, with Student Leaders and staff invited to get their orange on in the kitchen and bring along some home-made treats to sell, with all proceeds going to the Orange Sky Laundry.

AHS Kitchen Garden Club

Calling all green thumbs: we would love your help setting up our kitchen garden.

We need many people involved in the gardening and the sharing of foods that we grow. We will use most foods that we grow in Food Technology, however, I would also love for staff and families to help themselves to use the foods in their cooking at home.

If you can volunteer your time, expert knowledge, equipment or plants, please let Ms Stambolziev know.

Vela Stambolziev
Food Technology Teacher

YEAR 10 WORK EXPERIENCE

THANK YOU to those parents and employers who supported our Year 10 students with their recent work experience placements. Several students have come and told me that the opportunity to participate in an actual work environment has provided valuable insight to guide them in their future career choice. Feedback from employers and from staff who visited students on site has been very positive, and students can be very proud of their efforts. Students should remember to include their work experience on their resume and they could use their employer as a referee if consent has been given by the employer.

YEAR 9 TERTIARY ASPIRATION PROGRAM

Year 9s had a great day at Swinburne Wantirna on 12th July. Taster courses were provided in Landscaping, Environmental Science, Electricity, Game Development and Graphic Design. Thanks to Borroodara Cares Foundation and KIOSC at Swinburne for providing this inspiring experience for our students.

YEAR 12 STUDENTS

VTAC applications open on 1st August and close on 29th September. For timely applications the cost will be $32. After 29th September the cost goes up to $100. Once you have created a VTAC account, you will be able to apply for up to eight course preferences. If you have any queries about this process, please come to the Careers Office.

The Auburn High School Careers website: http://www.auburnhscareers.com/
has weekly careers newsletters and in-depth info about careers, tertiary study, VTAC and much more, or you can visit the Careers Office for more information about any of the above.
Homestay Hosts Wanted

Local cultural exchange opportunities

Auburn High School has a growing and well-supported International Student Program. Currently, we are inviting families to express their interest to host our students who will be arriving in mid-July 2016.

For families who are particularly keen to include students into their school-aged children’s daily life, this is a valuable cultural exchange opportunity. Young family members will be benefited by interacting with a wide variety of cultures and languages showcased by our vibrant international students.

The ideal hosts will be families who want to support our international students by helping them to improve their English, engage them with our Australian culture and treat them as part of their extended families.

Our student(s) will normally be staying from 6 months to 2 1/2 years.

Auburn High School is centrally located, in Burgess Street Hawthorn East. The campus is well serviced by a number of transport options: Bus number 624 Kew – Oakleigh, Tooronga Station, Auburn Station and trams 70 and 75 running along Riversdale Road.

For details of tax free remuneration, role and conditions, please contact:

Edmund Chow, coordinator of the Overseas Student Program on 9804 6344 / 0425 749 198 or chow.edmund.e@edumail.vic.gov.au.

State Cross Country

On Thursday the 14th of July, Year 8 student, Ellis Biggar, represented Auburn High School and the Eastern Region at the State Cross Country finals at Bundoora Park. Ellis had been working hard in the lead-up to this day and ran a time of 10 minutes, 3 seconds over the 3km course. He finished 26th in his age group race and was only 1 minute behind the winner. It was great to see Ellis represent the school in such a great way and at such a high level. Hopefully this will now drive him to work even harder next year and improve on this fantastic result.

Rhett Jordon
Sports Coordinator

Learn Guitar at AHS

Guitar lessons are available with Nadia Sartori on Thursdays.
Nadia teaches a range of styles, including pop, classical, folk, jazz and rock.
AHS is able to supply guitars for lesson times, or students may bring their own guitars to school for lessons.
Interested students should get a form from Reception, or speak with Mr Goodman.
Orange Sky Laundry is the world's first free mobile laundry service for the homeless. They are an organisation that volunteer to wash the clothes of homeless people in all the major capital cities.

On the 22nd of July Auburn High School is having a day to fundraise for this cause.

There will be
- A bake sale
- Orange dress up and more...

Don't forget to bring a couple dollars to buy some food!!
