19th October 2021

Dear Parent/Guardian,

Auburn High School is proud to provide an outstanding secondary school experience for our students and would like to advise you of our voluntary financial contributions for 2022. The school is committed to achieving excellent academic outcomes, offering a broad range of clubs and activities beyond the classroom, and ongoing improvements to the physical school environment for all students to enjoy.

Curriculum Contributions from our parent community are a vital component of the funding needed to support the delivery of these outcomes. Schools provide students with free instruction to fulfil the standard Victorian Curriculum, and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students.

All Victorian government schools must use the Department of Education and Training (DET) Parent Payments Policy when requesting financial contributions. The principal team and Business Manager work closely with School Council to set recommended parent contributions that meet the schools' budgetary requirements. We aim to provide clear and transparent information that will assist you in providing your financial support to AHS and understand how the school utilises the contributions.

The financial support of our parent community has allowed us to provide a rich academic program that ensures every student is challenged in their learning. AHS has been named an Influence School by the DET for three years, having achieved NAPLAN learning growth outcomes well above our state and like-school counterparts and lifting VCE outcomes. We have provided a diverse range of lunchtime clubs and activities and opportunities for student leadership and voice. We have made significant progress in improving our buildings and grounds, including extensive landscaping of student recreational areas, internal refurbishments such as new carpet, blinds and painting, additional classrooms and upgrades to our lecture theatre and gym. Every dollar contributed by our parent community goes directly into these improvements and we are very grateful for your support.

For further information on the Department's Parent Payments Policy, please see a one-page overview attached.

Yours sincerely,

Kristie Satilmis

Acting Principal
