Year 12 Parent Contributions 2026

2 March 2026

Dear parent/guardian,

Auburn High School is looking forward to another great year of teaching and learning and would like to advise you of Auburn High School's voluntary financial contributions for 2026.

Schools provide students with free instruction to fulfil the standard curriculum requirements and we want to assure you that all contributions are voluntary. The ongoing support of our families continues to make a real difference in what we can offer our students. Each year, voluntary contributions help us provide high-quality learning resources, well-maintained facilities, and engaging programs that benefit all students.

The cost of running a school has increased in recent years, and your contribution directly supports classroom consumables, equipment, and resources that ensure every student benefits from a well-resourced and stimulating environment. Your support helps us maintain the high standards that make Auburn High School such a vibrant and successful learning community.

In 2025, your contributions enabled us to complete the upgrade of classroom projectors and install new whiteboards across all learning spaces. Looking ahead, we are planning to begin our Wellbeing Hub project and construct the pathway between the main and senior buildings - two initiatives that will strengthen both our facilities and our focus on student wellbeing.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Thank you for your continued support and partnership in making Auburn High School a place where every student can thrive.

Yours sincerely,

Ross Pritchard
Principal

Leo Pappas
School Council President
