STUDENT Code of Conduct

Auburn High School

1. Student Behaviour – School Context

Auburn High School actively seeks to engage with parents and the community to ensure a positive and inclusive school culture in which every student has the opportunity to succeed. The College works collaboratively with students and parents/carers to establish fair and respectful codes of conduct, based on the school's values. There are also intervention strategies in place to address inappropriate behaviours which can negatively impact on the learning environment of the learning community.

The school appreciates its diverse student and parent population, and has measures in place to ensure all students enjoy the same level of access to the school's curriculum and co-curricular programs. Our teaching and learning philosophy is important in engaging all students in their academic learning. The provision of EAL and Language Centre classes provide students with additional classroom support to ensure student literacy and numeracy needs are being addressed for our international students in Years 10-12. Our peer support programs are tailored to address students' personal and social learning at various stages of their secondary education. Our PSD program provides vital assistance and support to PSD students in and out of the classroom. Student leadership capacity is fostered through the Student Representative Council, the house system, the role of the school captains and our peer support mentors.

Students receive added support in their learning through our community networks. These networks include Freehills Law Firm Mentoring Program, PADSIP and the Salvation Army Homework Mentoring Program and Hawthorn Rotary Student Exchange.

Student wellbeing (social, emotional and cognitive engagement) is addressed in a number of ways. At risk students are supported by our Wellbeing Team which includes the DEECD Psychologist, the Coordinator of Student Welfare and the Adolescent Health Nurse and School Chaplain. External agencies such as Boroondara Youth Services, Youth Connections, the Salvation Army, and Camcare work with students and families on a more targeted and individualised level.

When relationships break down between members of the school community, we use "Restorative Practices" to restore and rebuild these. Staged responses are implemented in addressing ongoing behavioural issues, and suspension from school is viewed as a last resort.

The school places an emphasis on 100% attendance, and has in place attendance targets. Attendance is monitored throughout the day, and student absences are followed up by our Sub school Leaders. Attendance conferences are an important mechanism through which teachers and parents can work together to combat absenteeism and truancy.

The school values parent / carer input into its operations and curriculum offerings and seeks feedback through the Parent Opinion survey, and from parent representatives on School Council.

- Consequences which may be used prior to suspension include:
- *Withdrawal of privileges- confiscation of netbook/lpad
- *Use of behaviour and attendance sheets when code of conduct is breached

No more than half the break time may be given to detention and afterschool detentions will not exceed forty-five minutes. Attempts will be made to inform parents through the student planner and in family circumstances where this would create undue hardship, the school may negotiate an alternative disciplinary measure with parents/carers.
- *Convening of a school support group.

When considering suspension or expulsion, the school follows the Department of Early Childhood and Development's procedures (refer to section 4.3 of Effective Schools are Engaging Schools: Student Engagement Policy Guidelines).

MANAGING STUDENT BEHAVIOUR

Effective schools are engaging schools which create a positive school culture. The primary focus is to provide a safe and supportive learning environment. - Follow up absences on a daily basis and keep all staff, the Office Administration and Principal Class informed on student management issues.
